

# Biological Microscopy

## VL Upright Bio-Microscope

High-cost-performance upright biological microscope

- High-definition imaging: Achromatic objective lens + wide-field eyepiece, delivering clear and precise imaging for comfortable observation.
- Flexible and versatile: Modular design, supporting function upgrades and adapting to multi-scenario needs.

One Platform Many Possibilities

## Overview

Precise imaging, adaptable to multiple scenarios

VL Upright Bio-Microscope is a series of upright biological microscopes launched by Venuslab, specially designed for scientific research institutions, university laboratories, and clinical testing scenarios. This series is equipped with high-quality achromatic objectives and wide-field eyepieces, enabling high-definition and precise imaging. The product adopts a modular design, supports flexible function upgrades, balances professional performance with high cost-effectiveness, and is a reliable tool for biological experiments and sample analysis.

## Features of VL Upright Bio-Microscope

- High-definition imaging for comfortable and precise observation
- Modular design supporting functional upgrades
- Suitable for multiple scenarios including scientific research, teaching, and clinical practice
- High cost performance, balancing performance and cost
- Easy to operate, allowing beginners to get started quickly

## Service & Support

We are dedicated to delivering exceptional optoelectronic solutions to every client. From precision manufacturing and secure delivery to full-lifecycle technical support, we are here to ensure a seamless and reliable experience at every step.

### 1. Warranty Policy

#### Quality First, Worry-Free Operation

**Warranty Period:** We offer a **two-year** warranty service for all of our core optoelectronic products, effective from the date of shipment.

**Coverage:** We provide free repair or replacement services for malfunctions caused by material defects or workmanship errors under normal operating conditions.

**Rapid Response:** Upon receiving a warranty claim, we guarantee to initiate the assessment process within **24 hours** to minimize your equipment downtime.

### 2. Technical Support

#### Expert Team, Full-Process Guidance

**Technical Consultation:** Our team of senior optical engineers provides **24/7 online support** to assist with installation, commissioning, optical path alignment, and parameter optimization.

**Scheduled Maintenance:** We offer full-lifecycle maintenance recommendations, including firmware upgrades, optical component cleaning guidelines, and precision calibration services.

**Training Services:** We provide customized remote or on-site operational and safety training to ensure your team can operate the equipment efficiently and safely.

### 3. Logistics & Delivery

#### Precision Packaging, Global Reach

**Professional Packaging:** Given the fragile nature of optical instruments, we utilize industrial-grade shockproof, anti-static, and moisture-proof vacuum packaging to ensure zero damage during transit.

**Logistics Partners:** We partner with top-tier global logistics providers (**DHL / FedEx / UPS / SF Express**) to offer reliable shipping with real-time tracking.

**Shipping Insurance:** All shipments are fully insured to eliminate logistics risks.

### 4. Compliance & Certification

#### Strict Standards, Total Compliance

**Quality Certification:** Our manufacturing process is **ISO 9001 certified**, and our products comply with international standards such as **CE and RoHS**.

**Export Compliance:** "Committed to environmental responsibility, all our products comply with **RoHS 2.0** and **REACH standards**, ensuring safety and global compliance."

## Explore Series

Model	Stage Dimensions	Movement Range
VL3200	210mm x 140mm	75mm x 50mm
VL3000A	210mm x 140mm	75mm x 50mm
VL3000B	210mm x 140mm	75mm x 50mm
VL145	140mm x 132mm	75mm x 35mm

 Get in touch with our team to explore configurations, request a quote, or learn more about customized solutions tailored to your needs.

Let us help you move science forward—faster and smarter.
